Preaching Seminar
with Dr Craig Blomberg
and Dr Allan Meyer

‘Preaching the Parables’

FAITH - REASON - JUSTICE

29th - 31st July 2013

T: 03 97909200
9/44-60 Jacksons Road, Mulgrave VIC 3170
www.EastAlliance.org.au
Discover how to first interpret the parables and then how to proclaim their significance.

Join with Dr Craig Blomberg and Dr Allan Meyer for three days with a focus on preaching the parables.

EAST Alliance (Stirling Theological College and Tabor College Victoria) is pleased to present this annual seminar as a part of our ongoing education for Pastors, Ministers and those who proclaim the Bible.

It will provide a valuable introduction to understanding and proclaiming the parables that pastors, church leaders, and theology students will appreciate. Accordingly, this seminar is not designed for credit in academic units, just an expectation that each of us is constantly trying to update, invest in and develop our preaching ministry.

Come and join with colleagues from a wide range of ministry settings for three days of resourcing, equipping and networking.

Craig L. Blomberg
Dr. Craig Blomberg is Distinguished Professor of New Testament at Denver Seminary in Littleton, Colorado. He holds a B.A, M.A. and a Ph.D. Craig is the author of twelve books and is part of the leadership team of Scorn of the Earth Church in urban Denver, an outreach ministry to “the right-brained and left out” young adults of the metro area. Craig and his wife, Fran, have two daughters; Elizabeth (Little) and Rachel.

Allan Meyer
Dr. Allan Meyer was Senior Minister of Careforce (now Discovery) Church for 26 years, holds a Doctor of Ministry with Denver Seminary and studied under Dr Craig Blomberg. He is also co-founder of Careforce Lifekyes, a ministry that involves training and equipping churches to function more effectively at healing communities, discipleship and evangelism. He is an outstanding communicator with a gift for equipping others in the art of preaching. Allan is married to Helen and now devotes his time to Lifekyes.
